

## If Then Else

	Outstanding	Good	Adequate	Poor	Score
Single-line if/then/else	All five return statements are added on the same line.	Most return statements are added on the same line.	Many return statements are added on the same line.	No return statements are added on the same line.	
Multi-line if/then/else	All five statements are nested.	Most statements are nested.	Many statements are nested.	No statements are nested.	
Independent rewrite	The rewrite consists of 1) a single outer If statement, 2) correct conditions, and 3) proper return values.	Two of three are correct.	One of three is correct.	None of three is correct or no rewrite has taken place.
